Where are you experiencing this issue?

My desktop web browser

Description of problem

This was a false abuse report, my words were taken out of context, please see evidence:

[REDACTED]

My conversation with this person was taken out of context by this person and then reported falsely as abuse. This person continued talking to me, I was being sarcastic and it was taken out of context. As a victim/survivor of hate crimes and sexual abuse, I need to confront these types of people as it's cyberbullying and that's what I was doing.

This is going to Federal Court as this woman also has threatened me, stalked me online, harrassed me, I'm still gathering evidence, that's gonna be a while cause by the time I'm done they will have committed 1k felonies using this platform, these are hate crimes because of my religion Scientology.

I've already notified Jack cause it appears this process is automated and it's being exploited by Religious Haters to commit felonies using the twitter platform and get away with it. These people are causing pain and trauma by their abuse ie hate crimes and getting away with it cause they are exploiting twitter's system.

All the evidence has not be authenticated, I'm still gathering evidence on a daily basis as Chrissie Carnell Bixler and her known accomplices are harrassing, stalking me, threatening me, abusing me etc etc on other twitter accounts including my art twitter account and I'm very busy trying to get to Federal Court.

Here's the evidence that's been authenticated so far:

<http://www.fedcourt.info/hate-crimes-committed-by-chrissie-carnell-bixler-aka-chrissie-bixler-carnell-and-her-accomplices/>

Here is evidence of this 1 specific incident. You can see the conversation I'm having with this woman and she never answered my question but just attacked me again and then on my Scientology twitter account attacked me with the false abuse report.

They are also taking my blog out of context and altering it, twisting it on twitter while attacking me with it. These are hate crimes and I'm gonna ask that they all go to prison in Federal Prison. These people think they can abuse me and get away with it cause I'm a Scientologist.

I don't talk to anybody via twitter, I'm not used to using it in this way on a daily basis, I mainly blog for therapeutic benefit, I have numerous PTSDs from the hate crimes committed on me, incident after incident so I blog so I can communicate my words for Federal Court and my forensic psychs since I have to type up and file 2 lawsuits simultaneously Pro Se.

Meanwhile Chrissie Carnell Bixler and her known accomplices are stalking me online, I believe they have been and it's possible since 2012 and this is premeditated. Their intent was to murder me using a false report/reports with the police. This is serious so I hope a human being looks at and reads the evidence and if they have any questions, asks me so I can answer it including forwarding more evidence.

Thank You,  
Kathy Gold

I'm primarily German, British and Italian. And yes I've done the Ancestry DNA. There isn't a drop of Mexican in me. Are you looking for a minority in my bloodline to justify your racist hate? You're really starting to scare me.

The image is a screenshot of a Twitter mobile interface. The main content is a conversation between two users: Anne Krzanowski (@Anneinma) and Kathy Gold (@adventuresofkg). The conversation is a reply to a tweet from Anne Krzanowski (@Anneinma) dated 9/7/2018 at 7:17pm. Anne's tweet discusses her Ancestry DNA results, stating she is primarily German, British, and Italian, with no Mexican ancestry. She challenges the user to fact-check her claim. The user responds with a series of tweets, including threats of legal action and demands for proof of hate crimes against Mexicans and blacks. The conversation continues with Anne defending her claim and Kathy Gold pushing for more information. The interface includes a sidebar with trends like 'Browns', 'Chargers', 'Steelers', 'Tyreek Hill', 'Cleveland', 'Chiefs', 'Cowboys', 'Jimmy G', and 'Patrick Mahomes'. A 'Who to follow' section is also visible on the left. The top of the screen shows a navigation bar with 'Home', 'Trends for you', and a search bar. The right side of the screen shows a partially visible tweet from another user.
